Ordinance Asked To Provide Zones For Buildng Here

Supervisors Urged To Act Immediately To Stop Area Damage

BULLETIN

C. Edmunds, member of the county planning commission, brought the proposed zoning ordinance before that group Tuesday night with favorable results and Supervisor H. G. Loehr said he would ask for immediate action by the board Friday. The area proposed to be embraced in the ordinance would include all of the fifth supervisorial district of Nevada County.

Supervisor H. G. Loehr said this week that he will take whatever steps are necessary to see to it that a suitable ordinance is brought before the Nevada County Supervisors to provide restriction on building types and trailer camps in this area in the immediate future.

The need for such an ordinance arose as a result of the selection of Squaw Valley as the site for the 1960 Olympic Winter Games. The selection is expected to bring hundreds of people to the area during the next four or five years and the necessity of controlling the type of buildings and camps will become a sanitary necessity, Loehr said.

The plan is also supported by C. Edmunds, member of the state pollution board, who last week attended a meeting at Bijou and discussed the matter with John Jamison, an official of the state housing commission, who stressed the need for zoning or building regulations.

Immediate Action

While the resolution asking such an ordinance must come from the county planning commission, Loehr said he hopes to have the initial steps ready for the board meeting Friday.

Placer County has already started the ball rolling and the planning commission is on record for preserving the natural beauty of the region by taking early control of the building activities in preparation for the games.

A motion to extend a present Placer County ordinance was made by Harry Stubley of Kings Beach, member of the planning group.

Proponents of the zoning ordinances have expressed fears that commercial interests preparing for the games may erect temporary or makeshift structures which might remain to blight the landscape unless a strict control is maintained.

The state housing authority has offered to cooperate to the fullest in the aims of the local officials.

NEW OFFICERS OF LIONS INSTALLED

Casey Conrad of the California Department of Education, gave an interesting and informative talk on physical education in the public schools at the dinner meeting of the Lions Clnb at Donner Lake Lodge last night.

F. W. Gaiennie, charter member and past president of the club, installed the new officers with Floyd Carnell being seated as president.

Guests included Ben Tonini of Morro Bay, Bob Tonini of Tahoe City, Dale Harris of Palm Springs and Bernard Duffy of Palm Spring and Bernard Duffy, also of Palm Springs.

New Foreman Arrives For Donner Road Job

Mr. and Mrs. Armon Close and three children, formerly of Walnut Creek, arrived this week where he will take the position as foreman for the Division of Highways on Donner Summit. Close is replacing Omar Alexander in this area. Two of the couple's children will enter local schools in the fall.

Humbert Ciardella Will Present Program Here

Humbert Ciardella will appear on the program outlined for the regular meeting of the Wyethia Club tomorrow evening, combining his talk with pictures.

Mrs. Charles Heller will preside at the business session. Hostesses for theevening include Mesdames Carroll Maynard, Rex Reid and Sam Follett.

Four Are Sentenced In Court On Drunk Charge

Four men charged with violating the county sobriety ordinance were fined or jailed by Judge F. W. Wilson during the past week. Light R. Sparks was given 15 days as was Mike M. Herrerox. Peter L. Hurley was fined $25 and Raymond Newby was given a suspended sentence. All were arrested by Constable N. F. Dolley and Deputy Sheriff Roy Waters.

Sugar Bowl Starts Summer Activities As Rides Operate

Sugar Bowl on Donner Summit, which has become famous as a winter sports playground, may soon enjoy a similar reputation as a summer recreational area, if present plans are successful.

Walter Haug, manager of the popular resort, announced that starting tomorrow the Magic Carpet and lift up Mt. Disney will be placed in operation to provide unique and pleasant transportation to visitors and vacationists desiring to enjoy the magnificent view offered from the top of the world.

At the present time the Audubon Society is occupying the lodge quarters, but this in no way will interfere with the operation of the other facilities at Sugar Bowl and the public is being invited to enjoy the rides and the scenery.

Ample parking is provided adjoining Highway 40 at the top of the Magic Carpet tramway and patrons may enter the enclosed cars there, be swept downward to the floor of the valley and then be carried to the top of Mt. Disney on the chair lift. Children under 12, accompanied by their parents, will be carried free of charge, Haug said.

Many improvements at Sugar Bowl are being made this summer under Haug's direction and visitors are always welcome.

Baseball Game Is Scheduled Sunday

Although the score was a lopsided 22 to 5 against the Truckee Athletic Club in Sunday's baseball game with the Reno Richardson-Lovelock nine, a good sized group of fans turned out to thoroughly enjoy the efforts of the teams.

This Sunday, the TAC team will meet the Knights of Pythias nine from Reno, Daven Morey, president of the club here, announced.

A shameful occurence, which had nothing to do with the game Sunday, virtually "broke" the team, when $35 worth of new baseballs, together with half a dozen used ones were stolen. Morey said he was confident of the idenity of the thieves and has asked them to return the balls to avoid any trouble. The balls were taken after being hit foul.

MUSIC PROGRAM TO HIGHLIGHT MEETING

A musical program will feature the meeting of the Truckee Outdoor Sportsmen to be held next Thursday evening at 7:30 at Capitol Hall.

The newly elected president, Jack Waggoner, will preside for the first time, replacing Charles Osburn who has headed the club for the past two years.

All members are urged to turn out and give the new president a welcome.

Four Local Men Are Named On Committee

Roy Brown, chairman of the Committee on Industrial Develop- for Nevada County, has appointed a committee of four local men to work and assist other organizations in planning and preparing for the 1960 Winter Olympics in this part of the county.

William Carver, Truckee attorney, has been named chairman, with Kenneth Hedlund, R. A. Saunders, and Earl Stice assisting. The development committee offered any help needed in furthering the aims of the local group.

Accused Thief Posts Bail On Local Charge

A. J. Harris, 23, 1309 Grand avenue, Del Paso Heights, who was fined $15 Friday in Grass Valley District Court for petty theft of gasoline, was released from the county jail when he posted $52 for payment on traffic warrant issued by the Truckee authorities. The bond was posted by his father. Harris was fined for the gas theft along with Robert Allen Doub, 22, of Grass Valley.

Senate Approves Water Compact For This Region

Kuchel Secures Passage Of Measure Assuring Agreement

Senator Thomas H. Kuchel wired the Sierra Sun this week to advise that SB 131, authored by Kuchel and Senator William Knowland, authorizing the states of California and Nevada to set up the two-state water compact, has passed the senate and sent to the house.

Both states involved have passed legislation creating the compact and seven members from each state will comprise the group which will study and determine matters concerning the water from the Truckee, Carson and Walker rivers and Lake Tahoe.

The compact was suggested by Gov. Goodwin J. Knight after discussions arose over the proposed huge Washoe Project which would materially change the water picture in this area.

Since the matter is inter-state and affects the federal government's jurisdiction, the action in Washington was necessary to provide legal status for the compact.

WIFE OF TAHOE'S JUDGE INJURED BY FALL ON STAIR

Mrs. Elsie Charrison, wife of Judge Harry Charrison of Kings Beach, is in the Tahoe Forest Hospital suffering from a broken right leg as a result of a fall Wednesday morning at 10 o'clock.

The fracture occurred when Mrs. Charrison fell off the steps at the Bradley Wallace home at Brockway. The break was right below the hip and despite the severity of the injury, she managed to crawl some 20 feet for assistance.

The injured woman was taken to the office of Dr. Allan Sklar and later removed to the hospital. She may be in a cast for several weeks, but is reported to be in fine spirits and her many friends hope for a speedy recovery.

Judge Charrison is the North Tahoe correspondent for the Sierra Sun and judge of the Tahoe judicial district court.

FUNERAL IS HELD AT SACRAMENTO FOR W. BIGELOW

Funeral services were held at East Lawn in Sacramento yesterday for Walter Bigelow, 67, former well known Truckee resident who for the past two months has resided in the Folsom area. Bigelow, who had been in ill health for some time, recently underwent an operation.

The deceased lived here for a number of years and once operated the service station at Gateway. The family moved to Leadville, Colorado and stayed there for two years, only recently returning to this area in an effort to benefit his health.

Bigelow is survived by his wife, Eva, two brothers and his stepmother.

Girl Scouts Enjoy Picnic At Cal Pine Resort

Donner Troop of Girl Scouts, accompanied by Mrs. Ed Freeman, Mrs. Dave Rose and Mrs. Frank Giovannoni on Tuesday attended a swimming party at Cal Pine Resort, followed by games and a picnic lunch.

Dorette Rose was presented with her one-year pin, during a brief business meeting.

Kitchen Bazaar

July 1, beginning at 10 in the morning, Naomi Rebekah Lodge No. 2 will hold a kitchen bazaar and food sale in Duane's Do-Nut Shop here when kitchen accessories such as towels, aprons, potholders plus delicious home-cooked dishes will be offered the public for sale.

Little Out of Town—

R. N. Little was an out-of-town visitor this week.

Carver in Capital—

William Carver on Tuesday was a business visitor in Sacramento.

SUNBEAMS

By WALTER M. BARRETT

A proposal that the counties of Placer and Nevada adopt ordinances restricting certain types of building and trailer parks in the region to be utilized for holding the 1960 Olympic winter games, should have the support of every property owner and resident of the region. It is easy to picture what can happen during the next few years if rigid restrictions are not enforced, particularly in the Truckee, North Tahoe and Donner Summit areas. Sanitary measures must be adopted at once, and building in the area should be regulated to a reasonable degree to prevent an unhealthy and shabby condition in the district where, more than ever, we can point with pride to nature's most attractive setting for recreational enjoyment. The plan has the full support of the state housing authority and should be placed high on the agenda in county proceedings.

* * *

The Placer County Chamber of Commerce has wholeheartedly joined in the crusade to eliminate the "litterbug," that careless motorist and roadside visitor who thoughtlessly tosses all sorts of refuse along the highways. The Placer chamber has had printed thousands of paper bags to be handed out at stores, service stations and other places frequented by motorists, with a request that they dispose of their trash and rubbish in the bag which can be discarded when they reach their destination. This plan should catch on quickly with other civic groups and should make the new state law, prohibiting throwing anything from a vehicle illegal, more effective. Join the crusade—don't be a "litterbug."

Near Record Set By Fines, Fees Collected In Truckee Court

A near record in fines and fees collected in the Truckee District Judicial Court has been turned into the county treasurer by Judge F. W. Wilson for the month of June.

The judge reported a total of $4504 collected. Of this amount $12.50 was from civil fees, $257 for state driving instructions from fine taxes, $25 from criminal cases, $85 from fish and game violators and $4,124.50 from violators of the motor vehicle code.

Summer Players Will Present Tahoe Plays

TAHOE CITY—Members of the Sacramento State College summer theater will present three one-act plays Thursday and Friday, July 7 and 8 at 8:15 p.m. at the Tahoe Lake school auditorium.

The plays are given under the direction of Dr. Carl A. Thomas, member of the school faculty, now in session at Tahoe City. They will include a comedy, "Simple Notions, by Tennison Williams; a drama by William Saroyan, "Hello, Out There," and a comedy, "The Trysting Place," by Booth Tarkington.

Alleged Altercation At Lake Results In Suit

S. G. Coberly of Roseville has filed suit in Superior court at Auburn against Phyllis Audrey Roberts and two "John Does." He asked $15,000 damages for injuries received in an altercation about parking cars near a Tahoe City motel last July. He charges he was kicked.

TWO TREATED

Joseph Odda and Jay Brandenhagen, both in the Air Forces, were treated at the Tahoe Forest Hospital Monday morning following an automobile collision a mile east of the Highway 20 intersection with Highway 40. They were later removed to Reno.

Several Hurt In Vehicle Mishaps During Past Week

Five In One Car Treated In Hospital Following Collision

Mrs. Glendora Rockholm, Kings Beach, was treated at the Tahoe Forest Hosptal last week after the car she was driving got out of control and plunged down an embankment on the Truckee cut-off seven miles south of Truckee. She was cited for speeding by State Patrolman Martin Sturcke.

Five people were injured, none seriously Saturday at 11 p.m. two and a half miles south of the Tahoe-Truckee Wye when cars driven by Philip C. Perryman, Sacramento, and Charles T. Weitz, Tracy, collided headon.

Taken to the Tahoe Forest Hospital by the California Highway Patrol and the Truckee ambulance were Weitz, Jeanne, Deborah, Gary and Charles Weitz, All were treated for minor injuries.

The accident occurred, according to State Patrolman Carroll Maynard, who cited Perryman, when the latter attempted to pass a pickup and did not see the approaching Weitz machine.

Charles Allen Robinson, 18, Kings Beach, had only minor injuries when his car struck the bridge over the Truckee River at Tahoe City Thursday night at 10 o'clock. He was cited for speeding and being on the wrong side of the highway.

Marie DaMarto, Kings Beach, was not injured but was cited for drunk driving by Patrolman M. Sturcke after her car collided with a truck a mile east of Truckee last Thursday night. She was fined $200 when she appeared before Judge F. W. Wilson. The truck was driven by George D. Rhodes of Sparps Point.

Charles Myers, Tacoma, Wash., reported his car was damaged to the extent of $400 when it was struck by a hit-and-run driver near the Tahoe Golf Course Saturday.

Novis L. Lackey of Reno was injured when his sedan ran off an embankment a mile west of Boca at 7:30 p. m. Tuesday and was wrecked. Patrolman William Gautsche made the investigation.

Governor Approves Bill On Tax List Publication

Gov. Goodwin J. Knight this week signed Assembly Bill 144 which provides for a breakdown of the delinquent tax lists by areas and for printing of appropriate portions of the list in various areas.

This means that with the approval of the board of supervisors and the county treasurer, that portion of the list affecting this district can be published in the Sierra Sun in the future. This year's delinquent tax list has already been published as required by law.

Five Initiated At Meet Of Local Rebekah Lodge

Five new members were initiated into Naomi Rebekah Lodge No. 2 at the meeting held June 22, including Eleanor Capel, Ava Glenn, Mary Maxey, Dorothy Pichi, and Glau Reid.

Georgianna King played a violin solo, accompanied at the piano by Winifred Kamp during the meeting which was attended by 10 members of the lodge from Dutch Flat.

Serving refreshments, following the program was the committee composed of the following members: Anita Allison, Janet Franklin, Dorothy Slack, Edith Welch.

Suit Filed In Auburn Seeks $36,000 Damage

AUBURN—Ruth E. Hatch of Tahoe City, Placer County, has filed a $36,588 damage action against the Mountain Rotary Fuel Company for injuries she says were suffered when a propane gas system installed in her home failed to function. The complaint recites she was burned and scarred by ignition of the escaping gas.

Bank Employe—

Miss Dolores Danley is employed at the local Bank of America.

Swimming Lessons Scheduled As Bus Routes Outlined

This year the summer program under the direction of the Tahoe-Truckee Unified School District and the American Red Cross will be conducted for two three-week sessions. Two certificated Red Cross instructors, Miss Betty Lou Raker and Miss Marilyn Eugene, who conducted the program last year, will again be in charge of the classes. Classes for the Tahoe Lake area began June 27 and will continue until July 15. Following is the schedule for that area:

Monday through Friday—10 a.m.-10:40 a.m. Intermediates and swimmers; 11 a.m.-11:40 a.m. Beginners who do not ride bus; 12:30 p.m.-1:10 p.m. Beginners who ride bus.

Bus schedule is as follows:

Intermediates and swimmers:

Leave Tahoma (Fanger's Lodge) 9:00 a.m.

Leave Tahoe City (Post Office) 9:30 a.m.

Beginners who ride bus:

Leave Tahoma (Fanger's Lodge) 11:20 a.m.

Leave Tahoe City (Post Office) 12:10 p.m.

There will be no classes on Monday, July 4.

Classes for the Truckee area will begin July 18. Beginner and intermediate classes will be held at Beacon Hill, and life saving classes will be held at the east end of Donner Lake. Bus schedules will be announced later.

Fireworks Monday On Donner Lake

Despite the fact that this is a busy time of the year in their own occupations, members of the Truckee Chamber of Commerce are devoting effort and time to preparing for the big fireworks display to be held on Donner Lake Monday evening at 8:30 o'clock.

Rex Reid, chairman of the committee in charge, reports the display will be shown from a barge supplied by Jay Richards and the show is expected to consume nearly two hours. Assisting Reid on the committee are Earl Stice and Kenneth Hedlund.

Everyone is invited to attend the affair which may be viewed from the shore at the west end of the lake.

A similar event is being held at the Tahoe City Commons Sunday evening, July 3.

Jeep Caravan Picnic Is Pronounced Big Success

The group which participated in the first annual family over-night picnic sponsored by the Truckee Outdoor Sportsmen enjoyed such a good time Saturday and Sunday that it was unanimously voted to hold a similar affair next year.

The jeep caravan treked to Rockbound Lake where a barbecue picnic, fishing, hiking and visiting occuped the weekend. Cliff Ellis and Charles Osburn arranged the trip.

Water Skiier Classifed As Non-Swimmer In Law

SACRAMENTO (CNS) — Gov. Goodwin J. Knight has signed a bill providing that a person engaged in water skiing shall not be considered to be swimming for purposes of present law prohibiting operation of a motor boat faster than five miles an hour within 100 feet of any person who is swimming.

Softball Game

The 20-30 Club's softball team has challenged the Sierra Pacific team to a game at the Truckee ball park Friday evening at 7 and a fast contest is inprospect. The game is sponsored by the Truckee Athletic Club and the public is invited to attend.

Lake Level

TAHOE CITY — With three gates open, the level at Lake Tahoe Monday stood at 6226.88 feet. Temperatures have ranged from a low of 34 on Monday to a high of 68 on Sunday.

New Restaurant Will Occupy Wye West of Truckee

Reg Smart Planning Large Cafeteria, Dining Room Here

Ground was broken this week at the Tahoe Truckee Wye, one mile west of here on Highway 40 for a new $100,000 cafeteria, dining room and cocktail lounge, being erected for lease by Reginald Smart, presently operating Goodfellow's Cafe in Truckee.

The new building, 110 feet long and 60 feet deep, will be modern in every detail, according to present plans. Facing Highway 40, the building will set back 65 feet to provide ample parking facilities and the entire grounds will be surfaced.

The one-story building will house a 40x50 foot cafeteria on one side of the modern, 45x40 feet kitchen while on the opposite side a 30x40 dining room will be furnished for those desiring this type of service. The front entrance leads into a hall, separating the two departments, with the kitchen between. Restrooms, a cocktail lounge and other appointments are being considered with an aim for providing for more than 200 guests at any one time.

The building will be of concrete block, with thick plateglass windows looking out on four sides. The corners of the dining room and cafeteria are to be rounded in design to provide easy access from all sides.

An acoustical tiled ceiling, with a tile floor, perimeter heating system and green tinted quarter-inch plateglass windows will be among the features being incorporated in the structure. It will be of flat-roof construction and with hidden beams for support.

"Nothing will be omitted to provide one of the smartest places of this kind in the entire area," Smart declared.

The building itself will cost upwards of $65,000 while the furnishing and equipment will cost in the neighborhood of $40,000, Smart declared.

It is hoped to have the new cafe ready and occupied by early in September. It will be known as Smart's.

Highway Patrol Set For Busy Weekend As Holiday Nearing

The full complement of officers of the Truckee squad of the California Highway Patrol, plus at least one additional man, will patrol the highways in this area with complete coverage from noon July 1st to noon July 5th in an effort to reduce the number of accidents and keep traffic flowing as smoothly as possible during the forthcoming holiday.

Sgt. Ed Freeman has urged all motorists to reduce their normal speed, avoid making dangerous passes and above all to extend to other motorists all the courtesies of the highway.

Special details have been appointed to handle traffic during the fireworks displays at Tahoe City Sunday and at Donner Lake Monday.

Sister Of Local Woman Expires At San Jacinto

Mr. and Mrs. C. A. Tollefson returned this week from San Jacinto where they attended funeral services last week for Mrs. Emory Nicholson, sister of Mrs. Tollefson. Mr. and Mrs. Nicholson are well known here where they have visited in past years.

The Tollefsons have as their guests this week her nephew and niece, Claude Trenary and his sister, Mrs. Thelma Graves, who flew in their airplane to attend the funeral and later landed on the local field before returning to their home in Kooskia, Idaho.

Norden Man Charged With Assault In Court

Merle L. Craddock, 31, Norden, was freed under $100 bail following his appearance in the justice court of Judge F. W. Wilson here on a battery charge brought against him by Louis Carrasco, also of Norden. Craddock was arrested by Deputy Sheriff Roy Waters following the alleged altercation.

Fish Planting Resumed In Streams, Lakes Here

Department of Fish and Game trucks were scheduled to arrive here this morning to renew the planting of catchable trout in Donner Lake and the Truckee River. The plant is expected to give quite a boost to fishermen during the forthcoming Independence Day weekend. Twelve thousand will be planted in Donner, but the number to go into the river was not immediately announced.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) —one of the more evil features of the legislative system in California is the practice of amending bills at the last minute, jamming them thorugh the legislature when no one has time to look at the content of the amendments, study the bill, or appear in favor or against the measure.

This is the time when special interests lobbyyists have a hey-day and were it not for the 30-day bill signing period given the governor by the constitution, it is probable that almost any type of law could be written in the statute books.

One such bill is now before the governor, SB 1247, by Senator Harry Parkman of San Mateo County.

This measure involves public records, and as such should have had a definite hearing before committee. In brief, the measure provides that the state of California may make deductions from payrolls for charitable purposes, such payroll deductions to be confidential.

The state controller's office has ruled that the measure, if it should be signed by the governor, would prohibit scrutiny by the public of all the state payrolls.

It was understood that the measure was sponsored by the United Crusades in an effort to get more money for charity from state employes. The procedure of deducting for a private charity would, of course, permit larger and more regular payments into the United Crusades. But regardless of the fact that the United Crusades performs an excellent work in Sacramento and other communities where it operates, the measure can be interpreted as onthing but a matter of force to insure funds from people who normally should have the choice of whether they wish to contribute. This would also put an additional burden on taxpayers for the cost of the bookkeeping, as it would for deducting dues for private associations such as the California Teachers Association.

Two principles are involved in this particular situation. The first is that the legislature can take action without the public knowing what it is considering.

The Parkman bill started out January 19 to exclude members of the California Highway Patrol from federal social security coverage in the event laws were passed authorizing such coverage in connection with state employes retirement.

The bill passed the senate after amendment May 6; was amended June 4 in the assembly, and on June 7, the day before the legislature adjourned, all provisions pertaining to the highway patrol were taken out of the bill, to the senate, the amendments were approved, and the bill went to the governor for signature, without opportunity for proper hearing.

The second principle involved is the closing of public records to the public. State payrolls always have been open to scrutiny in the ooffice of the state controller. Yet the measure would prevent any individual from looking over these payrolls, the controller's own attorneys say.

In the long-drawn out fight for open public records, this bill is a travesty on the principle that the government belongs to the people, and a major boost for the bureaucratic theory that the government is so far removed from the people that it belongs to the bureaucrats.

Conservation Is Theme Of Audubon Meetings

Conservation through education is the purpose of Audubon Society's California Camp at Norden in the High Sierra, which will start its eighth season on June 26.

The well balances course in natural history is designed for the layman interested in conservation education. Teachers and youth leaders will also find the course of value. Emphasis is placed upon practical teaching techniques and visual aids in both conservation education and field natural history.

During the summer five two-weeks sessions are offered with two units of upper division college credit available if desired.

William Gooodall, who planned and directed the San Diego School camping project, the first in California, will again serve as camp director.

Experienced naturalists and biologists comprise the teaching staff.

Warfield Will Sing On New Telephone Hour

William Warfield, baritone singing star, will be introduced to Telephone Hour listeners next Monday, June 27.

Warfield is well-remembered by moving picture goers for his performance as Joe, singing "Ol' Man River," in the Hollywood production of "Show Boat."

In 1952, he starred as Porgy in the New York revival of "Porgy and Bess." Later that year, he toured Europe in the same production, where he established himself as one of the most popular American artists.

Warfield was brought up in Rochester, N. Y. A music scholarship won while attending his senior year in high school, took him to the Eastman School of Music. While there, he also studied at the affiliated University of Rochester.

He joined the army in 1952. Because of his command of foreign languages he was assigned to Military Intelligence.

For his debut on the Telephone Hour next week, Warfield will sing two folk songs, the "Credo," from Verdi's "Otello," and "On Wings of Song," by Mendelssohn.

A large collection of early California moementos is housed in Pioneer Hall of the California Historical Society at San Francisco.

TRUCKEE PUBLIC BOARD MEETINGS

Meets 1st Tuesday each month at 10 a.m. in R. N. Little's office.

Truckee Cemetery District
Meets at call of Chairman W. M. Englehart.

GOVERNOR SIGNS SALES TAX BILL

SACRAMENTO (CNS) — Gov. Goodwin J. Knight late yesterday signed AB 3111, the Bradley-Burns uniform sales tax bill, which permits counties to assess a maximum of 1 per cent on gross sales.

The measure co-ordinate the tax with present city levies, which range from a half to one and a half per cent of gross sales.

Heretofore, counties have been prohibited from assessing a tax to augment their revenues.

Under the new law, which is operative April 1, 1956, the state board of equalization will collect the sales tax, and allot the amount due cities and counties, retaining administrative funds.

The governor also signed the controversial AB 2336, which affects the California milk control act.

This measure, it was claimed, permits the director of agriculture to increase milk prices. It also provides for quantity discounts. The measure was opposed by Safeway stores.

Milton was the first town in Calaveras County to be served by a railroad—the Southern Pacific—which reached the community in 1871.

OUTDOOR CHAPEL

KINGS BEACH—The Out Door Chapel at the Kings Beach Methodist Church is now open, services were held out of doors last Sunday with a record crowd attending. It is hoped the new organ will be in place by Wednesday evening when the pastor will hold evening vespers at 8 p.m.

A social hour with refreshments will follow the vespers.

SMORGASBORD

KINGS BEACH—The ladies of Naomi Circle of the King Beach Methodist Church will sponsor a smorgasbord at the church at 6 p.m. Sunday evening, July 3. Ham and turkey with all the trimmings together with other home cooked dishes will be featured, $1.50 per plate, the proceeds to be given the building fund.

NORTH TAHOE

By JUDGE HARRY CHARRISON

New Motel

Just came back from looking over one of the swellest motels that has been my pleasure to see, and what a name (Lake Air) and none other than Cloyd and Dorothy Sipes our local barber. While different mechanics worked on the building, Cloyd was responsible for building a great part of it, and believe me, he did a splendid job. Go up and see the motel just off the highway on Bear street and you'll get a surprise. We sure wish them both success. Cloyd says he will continue on and build a few more for next season.

New Baby

The cutest mother and dad that we've seen for a long time are Mike and Virginia Konazowich, and the cutest baby too, and then again the cutest of names he has Michael Patrick. With big blue eyes and peachesand cream complexion. Congratulations Mike and Virginia.

A World of Beauty

The more one sees, reads and hears about Tahoe, the more amazing it is. It is certainly competing very strongly with Las Vegas. Weather-wise, it has the edge by a long shot. No 110 degress as Vegas has. No region can match the splendor, the beauty and the balmy climate than has, yes, we can say Reno-Tahoe in the summertime. This year the clubs are outdoing themselves, with the top stars of screen and stage, just go over some that are to appear on the northend, Helen Traubel, Katherine Grayson, Lena Horne, Tony Martin, Gordon MacRae, Jimmie Durante, Ann Southern, Tallulah Bankhead, Nelson Eddy, Frankie Lane, and many others. It won't be long now till Crystal Bay will have a strip comparable to any place in the world. How can it miss with the terriffic events that are scheduled for the Tahoe area? We are already world famous.

New Station

Walt Bailey is now opening up his new venture the brand new Mobilgas station in Kings Beach, real friendly service all the way thruogh, says Walt. Read the ad on another page. It will be interesting to you, call in and see Walt. He is at Tahoe Vista Station, too.

Check

This is the time to say don't take a check even from your uncle. There are a lot of them being passed out, complaints are far too plentiful, so its just up to you. But I would say again, don't take them and be sorry, refuse them, even though you lose a customer.

Open

Well, during the past weekend, business went into high gear just over the line in Nevada. All the clubs are now in full swing, and the people. Its hard to know where they come from, and as usual the toughest job is to find a parking place anywhere. We went up to a couple of opening nights and believe me, we just had a bang up time, celebrities on every turn.

New Home

Sam Faulkner tells me that, Gene, his brother, who runs the Tahoe Plumbing Co., has bought a home on the Truckee short cut, from Mrs. Humphries just off the highway, but with all his plumbing knowledge he had to get Louie Antillon of the Faulkner establishment to turn his water on for him. Oh, Gene!

And Another

And then again Charlie White, contractor, is building a new home almost next door to Gene. It looks as though it is going to be a big one too. Two new homes are going up on the golf course road. This beautiful circle is nearly filled up now.

Visitors

Mr. and Mrs. Hack are visiting the Waddells of Kings Beach. Mrs. Hack is Red's sister and hails from Chula Vista. Also Jack and Mrs Robinson are up visiting the Shultzs. They are from Van Nuys, and Fred Schultz is expecting his mother and dad or by the time this goes to press they will have already been here. Oh, yes, the boys, L. J. Craig and Mike, were with the Robinsons.

Hot Dog

Dont' eat hot dogs just before yuo go out on the lake fishing. I am told that Lee Madden of the Chevron station, did that very thing and the water a wee bit choppy, and no fish. Lee thought they needed a little food. He says come on let's put some teeth in it. Just at that moment the hot dogs began to work on Lee. He became as sick as a dog and leaned over the side, and by the time he looked back he had really put some teeth in the job—his own. The upper plate had disappeared below the water. Lee, I understand, is offering a free grease job to the person that catches the fish with his teeth inside. Hot dog.

Up for Short Stay

Mrs. John Eybel and her son and daughter are spending a couple of weeks in their home on the golf course and have visitors with them also.

Golf

The golf courses of Brockway-Tahoe City and Glenbrook had a wonderful weekend, H. G. (High) Wells, owner of KOLO, Reno, told me it was the best tournament ever held, no less than 300 entries. Celebrities by the score and the weather was kind of on the cool side but delightful, as always.

New Subscribers

Two new subscribers to the Sierra Sun—one is for Mrs. Winn Powers, Sr., of Willits, mother of Neola De Gregorio. The other sub—the lady I spoke about playing the organ at Eugene's Chalet, Crystal Bay. If you want a treat go up there and listen to her even though you don't eat. Mrs. Clarke Powell is also on the list.

Churches

Father O'Neill says the mass on the lake and Truckee is as follows: Truckee, 8 a.m. and 10 a.m. Tahoe City, 8:00, 9:30 and 11 a.m. Meeks Bay, 12 noon. Kings Beach, 8:00, 10:00 and 11:30 a.m.

Outdoor Services

The Community Methodist Church of Kings Beach will hold services in the outdoor chapel during the summer. There are seats in the shade or in the sun and both are very comfortable and relaxing.

Shoptlifters

Business people should watch their merchandise, or the people that look it over. I have had complaints of theft. A gang went into the gift shop of Mrs. Moseley. They were going through on a bus and after they had gone, she found they had stolen several articles from the shelves. Roy Porath of Kings Beach Variety store happened to see a man in the act of putting some socks in his pocket. After the quick work of Roy and Dick Lavery, the fellow was arrested and brought to court and was fined $50 or 30 days. He paid the fine. Dick Lavery, constable, then signed a complaint of vagrancy and a term of 30 days was meted out. The man was one Joseph C. Dimitri, of no fixed abode.

Highlights

Highlights from the golf course tournament, at Tahoe City Golf Course last Friday when Ed Robert, attorney from Petaluma, and owner of the Sky Blue Waters, Kings Beach, Lake Tahoe, got his first hole in one on the second hole. He used a four iron. Also in the foursome was Larry Pendleton, who is a member of Dakmont Country Club, Glendale. He also got a hole in one (his first, too), on the ninth. For golfers this is most unusual to have two holes-in-one in a foursome. This was broadcast all over the country.

Naomi Circle of the W.S.C.S. of the Community Church will meet at the home of Mrs. Annie Blaue at Tahoe Vista Tuesday, July 5, at noon for a luncheon and business meeting.

CAR STOLEN

Gerald Potts, Tahoe Vista, reported to the California Highway Patrol that his 1950 Pontiac convertible was stolen from in front of his home Friday night. No trace of the vehicle has been found.

BILL RANDALL IS INSTALLED HEAD OF ROTARY CLUB

KINGS BEACH—The Monday night meeting of the Rotary Club of Brockway members and their ladies, held at the Ta-Neva-Ho Club was one that will not soon be forgotten. The occasion being the demotion of President Asa Abbott and the induction into office of Bill Randall as the president for the year 1955-56.

A cocktail hour and the presentation of corsages to the ladies preceeded the serving of dinner.

Fred Schultz as chairman of the evening and aided by various club members gave "Ace" quite a hilarious send-off. Jim Sherritt, past president of the Truckee club, gave a resume of Ace's activities preceding and during his residence at the lake. Past President Sherritt then admonished President Bill of his many duties and responsibilities upon accepting the gavel and assuming his new office.

Another highlight of the evening was the presentation of a life-honory membership pin to Andy Sorenson who has been a loyal Rotarian for many yars. Sorenson responded with thanks. Also a past president's pin was presented to Abbott for which he responded gratefully.

Visiting Rotarians were present from Lodi, East Bakersfield, Tahoe City and South Lake Tahoe. In all there were 54 present for this gala occasion. There will be no meeting next Monday, July 4.

From where I sit ... *by* Joe Marsh

If You Can't Lick 'em—Join 'em

Just back from visiting with my daughter's family—and playing Grandpop to two of the cutest kids you ever saw. While there I picked up a couple of new ideas on child raising:

If your child's learning to use a pen, provide an old fountain pen—filled with bluing. Looks and writes like ink, but won't stain clothes or furniture.

Maybe you have a boy, like my grandson, who thinks he's too old for a bib—but isn't. A big cowboy bandana works just as well, and looks he-man to boot.

From where I sit, getting along with children is like getting along with grownups—it requires an effort to see things from the other person's point of view. At any age, there's no accounting for tastes. Take my neighbor who keeps a parakeet and drinks hot coffee in the summertime. That seems strange to me . . . a man who's partial to hound dogs and a cooling glass of beer. But I'd be "childish" to say it was wrong.

Joe Marsh

Forest Users Urged To Cooperate During 4th To Avoid Destruction

To help ensure an enjoyable and fire-free Fourth of July holiday, Tahoe Forest Supervisor L. A. Rickel requests that forest users observe the following:

(1) FIREWORKS—State law prohibits possession or use of fireworks inside the forest. Special permission for fireworks displays may be secured through chiefs of fire department or fire districts which have responsibility for fire protection and prevention in their localities.

(2) CAMPFIRES—Secure a camp fire permit from any forest officer or through other local agents before building a campfire. This applies to fires inside trailers as well as those built outdoors.

(3) SMOKING—Permitted only at places of habitation, improved campgrounds, when stopped in a cleared area at last three feet in diameter, or inside vehicles on roads. Remember to use your ash tray, don't be a flipper.

(4) TRACER BULLETS—Firing or possessing tracer bullets on any forest or brush-covered land is prohibited.

Please observe the signs posted by the federal and state agencies to aid recreationists in protecting their vacation land. Remember as Smokey says, "Only YOU can prevent forest fires."

The John M. Dixon address, which has been Palm Springs for several months has been changed to Crystal Bay.

THINGS TO TALK ABOUT
BY FRANKLIN J. MEINE
Editor, American Peoples Encyclopedia
PINK! GAD!
BEAUTY SHOPS AND HAIR STYLISTS HAD A COLORFUL YEAR IN 1954. RED SHADES OF HAIR - RANGING EVEN TO PINK - WERE IN THE SPOTLIGHT.
NO AIRCRAFT WAS INVOLVED WHEN A NEW YORKER RECENTLY "FLEW" SIX MILES BY STRAPPING 60 GAS BALLOONS TO HIS BACK. HOWEVER, HE WAS ARRESTED FOR FLYING WITHOUT A LICENSE.
SPOIL-SPORT!
An elderly Canadian, believed to have frozen to death in a blizzard last winter, was found, happy and warm, snuggling up to a bear hibernating in its den.

FOOTBALL COACH SPEAKS TO MEET OF TAHOE ROTARY

TAHOE CITY—The Tahoe City Rotary Club's luncheon-meeting was held last week in the Tahoe Inn dining room and was attended by 30 local Rotarians, eight visitors from other clubs, and two guests of local members. President Bill Conners presided.

Ernie George, football coach of the U. S. Naval Academy of Annapolis, Maryland, was guest speaker at the meeting. With experience in coaching prior to 1953-54, when he played professional football, George explained the tactics of various teams, and how the Annapolis team had won the games even though they were much lighter men than most football players. When asked why Army and Navy football players averaged lighter than the professionals, the speaker answered that he thought it was because of the strenuous physical training required, by the Army and Navy regularly, as well as the physical requirements for enlistment in these services.

PLACER SPONSORS ANTI-LITTERBUG CAMPAIGN IN AREA

AUBURN—Placer County's anti-litterbug campaign will be in full effect July 1. At a recent meeting of the Placer County Chamber of Commerce, James Wheat was appointed chairman with Robert Fitzpatrick as co-chairman of a countywide anti-litterbug campaign.

Litter cans provided by the Placer County Chamber of Commerce through the courtesy of an oil company will be placed in convenient locations throughout the county. Each of these cans is painted green, identified by the word "Litter Can" painted in white. The state division of highways has provided a few silver litter cans along the highway.

One hundred and fifty thousand printed litterbags will be distributed throughout the county by grocery stores and other merchants. They will also be distributed by the agricultural inspection station at Truckee. The state highway patrol cars will carry litterbags for distribution to those motorists who have to be warned about throwing litter along the highway. Arrests will be made if necessary. The Placer County sheriff's office will cooperate in a similar manner.

Chairman J. Wheat stated, "the litter cans are for the convenience of the traveling public. Carry a litterbug in your car. Use it for all refuse accumulated while driving. Empty your litterbag at home or in a litter can. Please do not throw anything along the highways or roadways. Remember, the new state law (vehicle code 600.5) prohibits throwing any refuse along the highway or highway right of way. It is the hope of the Placer County Chamber of Commerce that the people throughout the state will cooperate in this campaign to keep our highways clean which has been spearheaded by the California State Chamber of Commerce. Don't be a litterbug."

REAL ESTATE AT TAHOE HAS LARGE RECENT TURNOVER

TAHOE CITY—Real estate transactions in this locality are becoming more numerous than usual since the news broke on the awarding of the Olympic games to the Squaw Valley area.

On Front street in Tahoe City the old home property, last of the estate of the late R. M. Watson, was transferred on a 20-year lease during the past week to Mr. and Mrs. Ted Gamble of this city, according to information given by Gamble. The Gambles are at present operating Loraine's Coffee Shop, just south of the Truckee River bridge. The cottage now standing on this lakeshore property was R. M. Watson's first home in Tahoe City, and was the birth place of his eldest son, the late Bert Watson. It is now the oldest building left standing on Tahoe's western shore, built in the year 1880.

Gamble said his tentative plans, which he does not expect to put into action earlier than next summer, will include taking down the old building and erecting a large modern business building on the cliff-shore site. The new building will probably house two stories of apartments on the cliff edge above the lake, with a restaurant adjoining and facing on Front street.

George Washington was born in Westmoreland County, Virginia.

NEW SCHEDULE

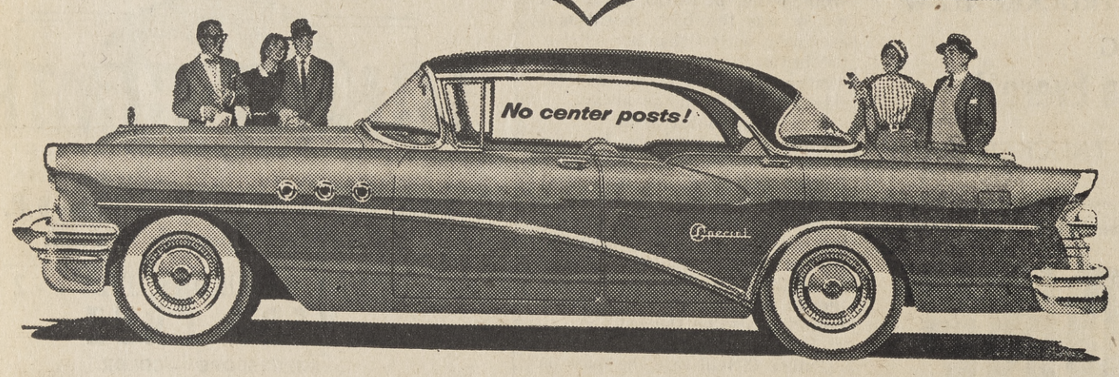
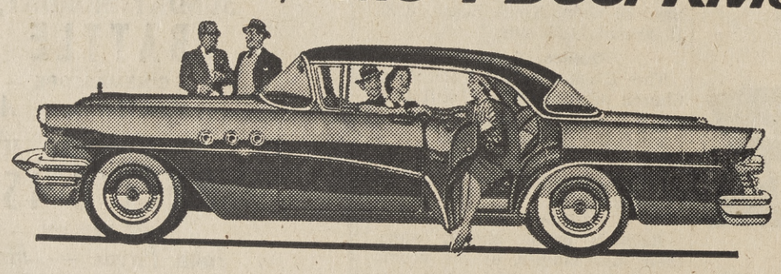
Look— 4 Doors and no center posts!



It's the new kind of hardtop—**The 4-Door Riviera!**



You drop the side windows down on this airy beauty of a Buick with the solid steel roof—and it's as wide open as a Convertible, with no center posts to mar your view.

That's what makes it a hardtop.

But what makes it a very special kind of hardtop is the fact that it has *four* doors instead of two.

Cheers? Brother!—they're really rolling out for Buick's 4-Door Riviera!

Now, you see, you can have the tremendously popular styling of a *true* hardtop combined with the room, comfort and full convenience of a 4-door Sedan.

And it took a completely new kind of body design to come up with this marvel—a new kind of body built to wholly new structural principles.

So it looks like Buick's done it again—because the 4-Door Riviera is a sweeping sensation across the nation.

It's rolling off the assembly lines in volume numbers to meet the demand—in the high-powered CENTURY Series, and in the bedrock-priced SPECIAL Series, illustrated here.

And each one is all Buick—with record-high V8 power, the level steadiness of all-coil-springing, the extra roominess of a full-size Buick Sedan—and, most certainly, with the instantaneous getaway response and bettered gas mileage of Buick's spectacular new Variable Pitch Dynaflow.*

Come in for a look at the brand-new kind of hardtop—the 4-Door Riviera. You'll find it priced at the modest extra cost of a 4-door model over a 2-door model—and a buy too thrilling to pass up.

**Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.*

Thrill of the year is Buick

THEFT OF BOAT, MOTOR REPORTED

RENO—Washoe County sheriff's deputies are seeking a sports-minded thief who did a masterful job of looting a Crystal Bay garage this week.

Taken from the Renee Geaubert home at Crystal Bay, reports indicated, were a green Wizard boat, a 25-horsepower Johnson outboard motor, a two-wheel trailer with a California license plate, a one-horsepower electric motor and a mechanics tool chest filled with valuable tools.

The theft was reported to the sheriff's office by Walt Mandeville. The value of the missing ftems was not stated, but it was thought to be extensive.

FUND FOR YOUTH AT LAKE BEING RAISED BY CHURCH

KINGS BEACH — The official board of the Methodist Community Church of Kings Beach voted to sponsor a fund raising campaign to finance the additional Sunday school, educational and recreational facilities for the youth of the area.

This committee, consisting of Mesdames Carold Howard, Eda Judy, Mae Critchley, Jennie Glunt, Bern Franklin, Miss Anne Blaue, Messrs. Ace Abbott, E. E. Thompson, Jr., Mr. and Mrs. Meredith Siple, Jack Felte, Jimmie Chastain, and Rev. A. B. Covher, met on Sunday, June 26, at which time a plan of operation was discussed. This campaign will be conducted for two weeks, from July 24 to August 7.

This committee felt that one of the church's major responsibilties is to provide a program of beneficial recreation for the youth of this vacation area.

MISSING CAR

The Snyder Lumber Company of Tahoe City has filed a complaint in the Tahoe Judicial Court after a 1939 Packard sedan was reported taken without the owner's consent. The California Highway Patrol is seeking the missing vehicle.

WALT BAILEY TO OPERATE STATION

by HARRY HARRISON

KINGS BEACH—Walt Bailey, well known as owner of the Tahoe Vista Garage in Tahoe Vista for many years, is taking over the Mobile gas station at the corner of Deer and Highway 28 in the center of Kings Beach.

The station is fully equipped to care for every need of the motorist. The most modern equipment has been installed. The grand opening date will be set—but it will actually be open this weekend and will be one of the most modern on the lake.

Walt and Janice Bailey will be on hand to meet their many friends—so stop in and say "hello" at least. The approach is all surfaced concrete and has four pumps. The many friends of the Bailey's congratulate them in their new venture and wish them every success.

Vacancies In Three Defense Academies To Be Filled By Kuchel

U. S. Senator Thomas H. Kuchel announced today that he will have vacancies to fill in all three defense service academies in the class entering in 1956.

The civil service examinations, on which Senator Kuchel bases his nominations, will be held in various California cities and towns July 11. Youths desiring to take the test should communicate with the senator's office without delay so that necessary forms can be sent them on which to gain entrance to the examinations.

The senator's allotment of nominations comprises two to the military academy at West Point, one to the naval academy at Annapolis, and 10 to the air force academy in Colorado.

Candidates must be between the ages of 17 and 22 on July 1, 1956.

Employment Sets New May Record In State, Two Officials Report

The highest May employment on record and the smallest number of unemployment insurance claimants for any May since the end of World War II were reported today by two state officials.

William A. Burkett, director of the department of employment, announced that unemployment dropped to 176,000 in May, down by 18 per cent from the April level and 24 per cent below the May, 1954 figure. About 81,000 persons a week received unemployment compensation during May. This was 4 per cent below the previous record post-war low for the month, set in May of 1953.

Ernest B. Webb, director of the dpeartment of industrial relations, reported that civilian employment in the state increased 74,000 from April to a record May total of 5,085,000. This was 156,000, or three per cent, above a year ago. Employment levels in all major industries exceeded both the April totals and those of May, 1954.

Gains between April and May were primarily seasonal in such industries as agriculture, trade and construction.

The civilian labor force rose to 5,261,000 in May. This represented an addition to the California work force of 100,000 since May a year ago and more than 800,000 in the past five years.

Cayenne is a native of tropical America but is now cultivated in other parts of the world.

JUVENILE HOME FOR COUNTY GIVEN OK

NEVADA CITY—Final plans fro the Nevada County Juvenile Detention home were given approval by the board of supervisors. The plans were presented by Architect Mitchell Van Bourg, who asked the board to delay putting out bids for construction until final approval has been obtained from the state fire marshal and the juvenile authority. Nevada County Probation Officer Floyd Pond has approved the plans.

Appointment of Leland Mitchell of Nevada City as bookkeeper for the Nevada County Hospital was unaimously approved. Mitchell will assume his duties effective Friday, July 1.

Other business included discussion on payment to the county by the U. S. Forest Service for the Truckee bridge which collapsed when a forest service truck fell through.

Television by wire and radio was demonstrated by the Bell Telephone Laboratories, April 7, 1927.

ATTENTION BOAT MEN

FOR SALE: 14 ft. outboard equipped with complete rebuilt 60 h.p. V-8 motor. Sturdy trailer (15-inch wheels) goes with the deal, plus an extra motor and various new and used parts. A steal at $395, everything. Information call at Armstrong Realty, Donner Lake Lodge, Truckee, Calif.

TRUCK TURNOUTS ON HIGHWAY 40 GIVEN APPROVAL

Noting that large volumes of weekend traffic use U. S. 40 to get to mountain resort areas, the California Highway Commission voted to spend $120,000 for building truck turnouts between Colfax and Yuba Gap.

The commission said the 20-foot pavement does not permit passing "and long lines of traffic accumulate behind slow-moving trucks on steep grades."

DISTRIBUTION OF ESTATE ORDERED

RENO—Partial distribution of the estate of Vivien R. Summerfield was ordered yesterday in a probate hearing in the court of Judge A. J. Maestretti. The court was informed that the liquid assets of the estate amount to more than $500,000.

Under the distribution approved yesterday, lots belonging to the estate in the Lake Tahoe area were granted to Juana R. Warner, Adeline Freiermuth and Joseph and Amanda Stadler. The lots are located at Crystal Bay and at Incline Park.

Urban land in the United States is worth more than all non-urban land put together.

The average depth of the Carribeen Sea is 7270 feet.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Olympic Attraction

Since the recent announcement of the awarding of the Olympic games to Squaw Valley, Tahoe City and adjoining vicinities have been thronged with visitors from all parts of the country. Every available home or cottage around the lakeshore has now been rented, and many places have changed ownership within the past two weeks. The beautiful Rudolph Zimmerman summer home on the lakeshore at Sunnyside was purchased during the weekend by Mr. and Mrs. Charles Thieriot, former bay region residents. The new owners will occupy the place this summer. The Zimmermans are leaving this week for the lower altitudes, on the advice of physicians, for the benefit of Mr. Zimmerman's health as he recently suffered a slight heart attack.

Plan for Fourth

The Tahoe City Fire Department are very busy this week with preparations for approaching the big day of the summer season—the Fourth of July. The evening of July 3rd is actually the time set for the giant fireworks display, which Chairman Billy Bechdolt says is going to be something to go down in Tahoe history. A dozen or more firecracker collection cans now repose in store windows throughout this locality, and it is to be hoped that all residents and visitors this week will be generous with donations to swell the size and variety of the Independence Day display.

Baseball Games

Jack Wilson's baseball team, the Tahoe City Sluggers, a recently organized group made up of 24 local youngsters between the ages of 10 and 14 years, really did themselves proud during the past week. On last Wednesday the Sluggers played the Little League team of Sierraville and beat them on their home course out in Sierra Valley. The score turned out 16 to 6 in favor of the Sluggers. Following the game the boys celebrated with wienie roast and outdoor games.

Opens Home

Mrs. John Walter of San Francisco opened her summer lodge, Rampart, on the Truckee River during the weekend and is busy preparing the place for expected visits from her numerous grandchildren, who will be up in groups from their bay region homes throughout the weeks of the summer vacation period. At this season Mrs. Walter has opened her palacial home on Larkin street, in San Francisco to the United Nations Home Tour, for inspection by visiting delegates from foreign countries.

Opening Shop

Mrs. G. W. Mortimer of Tahoe Park is opening a new gift shop in her home, fronting on the lakeshore highway a short distance south of Tahoe City. She expects to have everything ready to go about the first of July. Besides the regular run of gifts and souvenirs, with which the place will be well stocked, Mrs. Mortimer is also inviting all her friends and neighbors of the region to put in their fancy work and handmade items for sale in her shop. Elsewhere in this week's Sierra Sun an ad "Zella's Gift Shop," will be found.

In Back Country

Mr. and Mrs. Victor Wikander, old-time residents here, were up from their bay area home on the weekend, and left from here on Monday morning for their back-country summer cottage on the island at Buck Lake. The lake lies just beyond the highest ridge of the rugged Rubicon region in the heart of the wilderness area. The Wikanders packed in on horse back, and expect to spend the best part of the summer season there. It is only a few miles from Buck Island down the other side of the Sierra range to the settlement of Wentworth Springs, where the couple may replenish their supplies at any time it may become necessary.

Litterbug Campaign

James Wheat of Auburn, health officer, and chairman on the Placer County Chamber of Commerce's Anti-litterbug Campaign, visited in Tahoe City during the past week and distributed quantities of the anti-litterbug printed paperbags to the stores throughout Tahoe City and vicinity and into the Kings Beach area. He said the bags will be in use from Thursday, June 30, throughout the entire summer, and they are to be specifically used in autos on all highways throughout the state to keep various kinds of refuse from littering the scenery in general. Wheat said radio and television will enlarge and spread pubilicity on this theme, and campaign leaders are hoping for satisfying results from every quarter.

Estate Busy

The M. C. Milton estate bordering on Highway 89 and the lakeshore just south of Tahoe City, is thriving with summer activity now all over its acres as every cottage and apartment comes to life with the various members of the Milton, Towne, and other families included in the clan. Mr. and Mrs. Ed B. Wallace are in for their summer vacation period, with daughter Jo Anne. Mrs. Wallace is the former Anne Milton. Several cousins from the Clegg family are also up for the holiday week, and Mrs. Hotle and children are also vacationing here Mrs. Hotle was formerly of the Towne family.

Summer at Tahoe

Mr. and Mrs. Henry Aldrich and sons, Hanko and George, are back at Tahoe this week from their valley ranch, "Walk-In-Neigh," near Lincoln. They are occupying their beautiful newly-remodeled summer home near Tahoma, and expect to spend the entire summer there. Mrs. Aldrich is the former Helen Towne. Almost every day now Hanko and George enjoy their favorite sport of stream fishing round about the country. The whole family share the pleasure of boating on the calm lake these days in their launch which Aldrich very appropriately named the "Four-Fun."

Entertains

At the beautiful lakeshore summer lodge of Fernmoore, just south of Tahoe Tavern, the R. C. Moore family of Piedmont are once more deep in the heart of their beloved Tahoe summer season. Mr. and Mrs. Moore are entertaining the usual number of bay region houseguests, and daughter Marion and son Calvin are spending the days in boating and other outdoor sports. Marion plans to attend the University of California beginning with the fall semester.

Enjoy Vacation

Mr. and Mrs. Tom McClaren and three children of Berkeley are in for a week's vacation at "Agea," the old Ash and Griffith home on the Tahoe City lakeshore, which was opened last week for their convenience. Alice Griffith will be up later in the summer to enjoy a few weeks at the place which she has known as home for more than forty summers. This is Tom McClaren's first vacation here since he was a young boy, and he is greatly enjoying the Tahoe back country fishing once more.

Honeymooning

Dick and Jeane Pool, bride and groom from San Francisco, spent a short honeymoon on the lake last week, occupying a cozy cottage on the slope above Carnelian Bay. Dick is a former Tahoe resident who spent several years here in the past. The couple visited on this trip at the C. W. Vernon home and at the home of Mr. and Mrs. Harold Farr of this city.

Houseguests

Houseguests at the Vernon home over the past weekend were Mr. and Mrs. Erving Esterkin of Oakland. The Esterkins made a stop over here in the course of a motor trip to Minnesota, where they will spend several weeks with the parents of both who reside in that state.

Open House

Mr. and Mrs. Albert K. Miller of San Francisco opened their summer home on the lakeshore at Tahoe Park last week and are entertaining friends from the bay area. Their neighbors, Mr. and Mrs. Bert Scott of Piedmont are also occupying their Tahoe Park home for the season.

At Mein Home

The William Wallace Mein home on the beach at Sunnyside is once more open for the season, and various families of the Main relations are beginning to take their turns at vacation periods in the family lodge. Grandsons Nickie and Tommie Mein have been up from their Woodside home for the past week getting the place in readiness for the summer. The elder Mr. and Mrs. W. W. Mein are still traveling in Europe and will not vacation here until early fall. Mr. and Mrs. Charles W. Fay will be in for a few days over the holiday weekend. Mrs. Fay is the former Dorothy Mein. Mrs. Charles de Bretteville, the former Frances Mein, with her husband and family are renting the palacial Paul Pennoyer home on Rubicon Point for the summer season. William Wallace Mein, Jr., with his wife and family, are expected to occupy the Mein family for a vacation period in late July.

Nevada Horsemen To Participate In Program

The Nevada County Horsemen, Inc. will participate in the July 4th celebration in Grass Valley with a barbecue, horse show, and dance to be held Sunday, July 3.

The barbecue and horse show will be held at Lion's Lake, Nevada County fair grounds, Grass Valley. The barbecue chef, Carl Tobiassen, and his committee will start serving at 12 noon.

The Nevada City members will compete against the members from Grass Valley in a game of palmetto polo. This is a fast action game and should prove interesting to both spectators as well as riders since it will be new to both. Other events will be as follows: Fiesta class (open; western equitation juniors); egg race (women over 18); Tom Thumb hat race (children under 8); pole bendnig (juniors); pleasure class, English or western equipment (juniors); barrel race (women over 18); and baton relay race (juniors and seniors).

IT'S WISE TO ADVERTISE!

NEW LICENSES FOR HUNTING ARE DUE IN STATE JULY 1ST

Hunting licenses and deer tags for the 1955-56 season are en route to more than 3,000 license agents throughout the state, and will be available in advance of July 1, their effective date.

Also being distributed at the same time are copies of the Digest of 1955 Hunting Regulations. They may be obtained by hunters either from license agents, or from the offices of the Department of Fish and Game.

In order to clarify the use of A and B deer tags, the designation is printed in large letters on the back of the tag this year. A tags are for use in two-deer districts, and the B tags for use in one-deer areas.

Mr. and Mrs. C. M. Bromagem and their family are occupying their cabin at Homewood, traveling from Sacramento.

Washington News

By Congressman Clair Engle

The selection of Squaw Valley as the site for the 1960 Winter Olympics is the greatest advertising feature for the Sierra-Nevada mountains since Mount Lassen blew up in 1915. Few people throughout the United States, much less throughout the world, have realized the tremendous scenic and recreational values of the Sierra-Nevada area.

Squaw Valley will between now and 1960, and thereafter, be as well known as the famous winter sports areas of Switzerland, Austria, Germany, Norway and the Northern Alps in Italy. We have known all along the Sierra-Nevada area provided some of the greatest recreational opportunities, both winter and summer, in the world but that information has not been so well known throughout the rest of the country, except perhaps Yosemite Park.

The 1960 Winter Olympics at Squaw Valley will give an unparalleled opportunity for the historic and scenic areas in all parts of my district to make themselves better known to the thousands of people who will attend and follow this sports event with intense interest, and who year after year are adding to the tourist trade of our various countries.

Many Will Attend

Every scenic area from the Oregon line to Death Valley has benefited by the designation of the little-known resort of Squaw Valley as the scene of major world competition in the 1960 Olympics. Nearly 1200 athletes from all nations will participate in these winter games and people by the literal thousands will travel from all parts of the world to attend this competition. Both the athletes and the spectators can come to Squaw Valley via Los Angeles and its seaside and resort areas or through San Francisco, the big redwoods, etc.

On the other hand, they can make it the occasion to come through Death Valley, Yosemite, Lassen Volanic National Park, and the scenic areas of Shasta, Klamath, etc. The old Mother Lode of California portrays a significant period in the history of our state which will be attractive to many of these people if called to their attention.

Every resort and scenic section in my district from Death Valley to the Devil's Garden in Modoc County should get itself prepared to demonstrate to these visitors, as well as to the millions of people who will follow these sports events, that Squaw Valley is part and parcel of one of the truly great scenic and recreational areas of the world.

Selection No Accident

The selection of Squaw Valley as the scene of the 1960 Winter Olympics was no accident. It was the result of boldness, imagination and planning, plus real energy and perseverance. I will have to admit that I was a little startled when I first heard it, but a little thought made it very plain that there was a compelling logic in selecting an area in the United States, and particularly in California—and if California, where else than one of our outstanding ski area in the Sierra-Nevadas. Those who planned and executed the movement to secure the selection of Squaw Valley deserve the highest praise as some of the most imaginative and energetic planners and promoters of Califronia's assets to come down the pike in recent years. Alex Cushing, who led this movement, and those who assisted him, should be congratulated by everyone in our state.

Official Invitation Extended

When our own Olympic committee was meeting in New York, I secured the enthusiastic endorsement of everyone of our northern California congressmen and presented it to Cushing for use before the committee. At the same time, Senator "Bizz" Johnson got a bill through our state legislature offering a million dollars of state funds to encourage bringing the event to California, as well as the personal invitation of Governor Knight. Success before our own Olympic committee of course was a prerequisite to getting into the competition at all before the International Olympic committee, which held its meeting recently in Paris.

I introduced a resolution in congress formally extending an invitation on behalf of the congress of the United States for the Squaw Valley area. The resolution got through the congress, to the White House, and was signed by the president only a day or two before the decision was finally made in Paris. The time was so short that we couldn't get a copy of the act to Cushing, but notified him of the fact that it had been passed and signed by the president and constiuted a formal invitation by the congress and the President of the United States to the International Olympic Committee for the games to be held at Squaw Valley.

We beat out Innsbruck, Austria by a nose, winning in a vote of the International Olympic Committee by a vote of 32 to 30, But, 32 to 30 was as good as a mile and we are now in. From here on we should all pull together to make this the outstanding Winter Olmpic Games ever held in any place in the world and extend to everyone attending a good slice of California's famous hospitality. In doing that, we can also do a lot for the other scenic and recreational areas of the Sierra-Nevada mountains.

Attorney for Plaintiff

SUMMONS

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

No. 11026

FREDERICK E. EASTMAN, Plaintiff,

-vs-

ALL PERSONS UNKNOWN, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants,

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of Calfiornia, in and for the County of Nevada, within ten days after the service on you of this summons if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that, unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract or will apply to the Court for any other relief demanded in the complaint.

The object of this action is to make the above defendants set forth the nature of their claim or claims to the real property in the complaint and hereinater described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiff's title to said real property be quieted against them.

That said real property is situate in the County of Nevada, State of Californai, and is particularly described as follows:

The West half of the Northwest quarter and the Southeast quarter of the Northwest quarter of Section 4, Township 17 North, Range 12 East, M. D. B. & M.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 15th day of June, 1955.

R. E. DEEBLE, Clerk
By THOMAS P. HOSKING, Deputy Clerk
(SEAL)
J23-30 Ju7-14

Notice to Taxpayers

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will sit as a Board of Equalization on TUESDAY, JULY 5th, MONDAY, JULY 11th and MONDAY, JULY 18th, 1955, for the purpose of equalizing the assessment rolls of the County of Nevada.

NOTICE IS HEREBY FURTHER GIVEN that any taxpayer of the said County of Nevada who desires to file any objection to his assessment as made by the County Assessor may appear before the said Board of Supervisors on any of the above dates between the hours of 10 o'clock A. M. and 4 o'clock P. M. and present his objections. If no person appears and presents his objections to said assessment, said assessment will remain the same as set forth in full on the rolls of Nevada County for the 1955-56 tax year as prepared by the said County Assessor.

New Officers Installed At Busy Meeting Of Truckee Rotary Club

The Truckee Rotary Club, meeting at the Donner Lake Lodge on Monday evening, held the installation of new officers.

Johnny Ciardella, past president and one of the charter members of the Truckee club, acted as chairman for the evening program. President Alvah Hooper was "demoted" and President-elect Rex Thomas was installed for the ensuing year.

Ralph Franks, secretary-treasurer for the past year, was replaced by Ed Grant, who was elected to take over the duties. Hooper and Franks were both thanked for the excellent work done and for their effort in making the past year a successful one.

One of the outstanding services to the community was the presentation of the blood regrigerator to the local hospital. This was in honor of the 50th anniversary of the founding of Rotary International and the project was undertaken as one of the services of the club to the community.

The ladies of Rotary were guests for the evening and helped to enliven the evening by singing of several songs for the members.

The next meeting is scheduled for July 11 at Donner Lake Lodge, 7 p.m. as next Monday is July 4th and the regular meeting is postponed due to the holiday.

Sandra Ferdinand Is Honored On Birthdate

A party this afternoon at the home of Mr. and Mrs. Lorrin Ferdinand feted the fourth birth date of their daughter, Sandra. Wading in the garden pool was enjoyed by the small guests, followed by cutting a decorated cake and serving other refreshment.

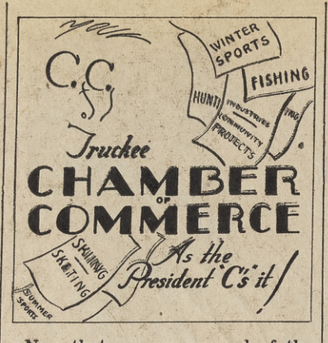
Those invited to share the afternoon with Sandra are: Marlene Hocker, Linda and Randy Russell, Karen Hedlund, Debby and Chris Ellis, Pamela Horman, Gail Englehart, Jody Stewart, Bruce Leamon, Phillip Risden, Michael Kydd, Kenney Foster, Monte and Jerry Neugebauer, Donny Pickard, Steve Maynard, Scott Burns, Chris Kumle.

Officers Aid In Search For Daring Car Thief

Local officers Tuesday were asked to aid in the search for Roy Sandy, an escaped prisoner from the Nevada prison at Carson City, who was selective in his transportation.

According to word received here by Sgt Ed Freeman of the highway patrol, Sandy took Governor Russell's car—with the big No. 1 license plate and all—for his getaway.

Washington was inaugurated as the first president of the United States April 30, 1789.



Now that we are assured of the 1960 Olympics, the various county officials should start planning for the influx of new trade and population that this area will have between now and 1960. One of the first steps should be to enact an emergency ordinance to protect us against the possibility of squatters setting up shanty towns and make-shift bulidings that will mar the natural beauties of the area. I think that we should all be cautious of the "fast deal" and "get rich quick" schemes that will be presented to us in the next few months by the chiselers that follow any announcement of expected prosperity.

—O—

Don't forget our annual Fourth of July fireworks display at Donner Lake on the evening of the 4th at the west end of the lake. It promises to be bigger and better this year. Bring the kiddies and enjoy the fun. At 8:30 p. m., July 4th.

—O—

I am told by our committee on the Donner Lake boat races on July 10th—that's next week, by the way—that they have collected some 22 prizes to be given away between the races. So let's buy a membership in the Sponsor Club and assure the success of the affair. You can see the big Johnson outboard to be given away at Cabona's.

Crystal Bay Doctor Files Action Against Hospital

Dr. Thomas Daniel Wyatt of Crystal Bay has filed a suit in the Nevada County Superior Court seeking an injunction requiring the board of direcotrs of the Tahoe Forest Hospital to permit him practice at the hospital and seeking $25,000 damages.

The suit filed by Lewis, Lewis & Lewis of Sacramento, representing the plaintiff, charges that Dr. Wyatt has been refused the use of the hospital for treating patients.

The suit names Directors James Sherritt, C. R. Heller, Nace Firpo, Asa Abbott, and Warren Porter as defendants.

Administrator John J. McGlade said Dr. Wyatt had been refused staff privileges at the hospital after his application was turned down by the board some time ago.

Chamberlain & Chamberlain at Auburn are representing the hospital's interests in the action and an answer is expected to be filed during the next few weeks.

PLACER ADOPTS NEW BUILDING CODE

AUBURN—The Placer County Board of Supervisors made a new uniform building code effective immediately in the unincorporated areas of Placer County by passing an emergency measure which amends the existing building ordinance.

The vote was unanimous, following a motion by Supervisor L. L. Anderson, made aftera two-hour public hearing in Auburn.

The adoption was asked by Lake Tahoe residents and some Auburn area property owners, but was opposed by representatives of the Grange in the Auburn and Weimar areas.

A. E. Abbott, a spokesman for the Lake Tahoe area, asked adoption. He said standardization of building offered a guarantee to the public against unscrupulous contractors.

Supervisors repected a proposal by George Voyiatzes of the Mount Vernon Grange that the matter be submitted to a vote of the people in the unincorporated areas.

CHURCH NOTES

The Methodist Youth Fellowship will hold its meeting at 5:30 p.m. on Sunday evenings for the rest of the summer. This Sunday they will take up the "Religious Beginnings of Our Nation."

SQUAD MEETING

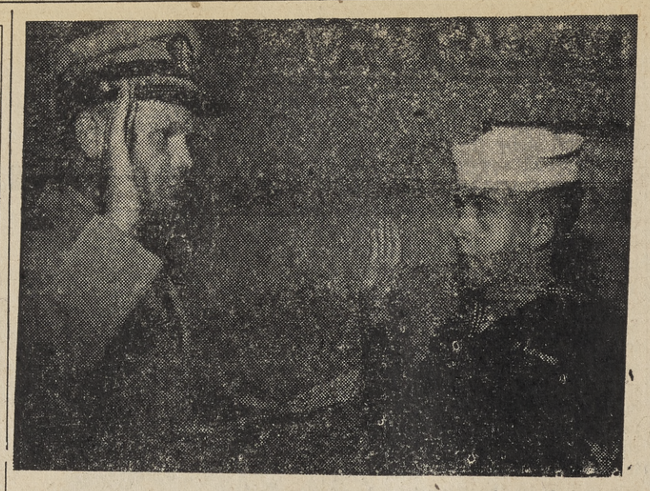
Officers of the California Highway Patrol comprising the Roseville area are meeting here today for a regular squad session under the direction of Capt. B. R. Langner. A luncheon will be held at Donner Lake Lodge.

MEETING CHANGE

Directors of the Tahoe Forest Hospital this week announced that the regular meeting time will be changed to the second Friday of each month at 8 p.m.

Here for Summer—

Mr. and Mrs. J. E. Kaler of Sacramento are living in their home here for the summer months.



SEATTLE (Wash.)—James H. Painter, storekeeper second class, USN, is sworn in June 10, as he reenlists in the navy for six years at the 13th Naval District Headquarters here. Navy Cdr. T. A. Turner, director of naval personnle, administers the oath.

Painter is the son of Mr. and Mrs. C. V. Painter of Truckee, Calif.

Before entering the service in June, 1951, he was graduated from Tahoe-Truckee high school.

Tahoe Items

Mr. and Mrs. George Tiffee of Tahoe City attended the graduation ceremony on June 17 held at San Jose State College when their daughter, Mrs. Kenneth Bruce, received her diploma.

Mrs. Bruce attended and graduated from the Tahoe Elementary School, Truckee High School, Sacramento College before going to San Jose. She plans to teach there for another year.

Bruce, a law major, is still attending the San Jose college, his graduation will be next year.

At Evergreen Lodge

Mrs. Harry Chatsworthy and her niece, Judy, have closed their home at Palm Springs and are visiting her brother and sister in law, Mr. and Mrs. W. R. Evans at Evergreen Lodge, Kings Beach. Their home is at Fort Morgan. Mr. and Mrs. Don Evans were also recent visitors at Evergreen.

Back on Job—

Sgt. Ed Freeman of the California Highway Patrol is back on duty following a week's vacation with Mrs. Freeman and their children in the northern part of the state.

Go to Riverside—

Mr. and Mrs. R. W. Mack and children left for their home at Riverside on Friday following a visit with Mr. and Mrs. Lester Braasch.

Move to Reno—

Mr. and Mrs. John Gracik and their three daughters have moved from Gateway to a new house at Reno where he is employed.

Cavitts on Ranch—

Mr. and Mrs. W. M. Cavitt have moved from Loomis to their local ranch for the season.

From South—

Mr. and Mrs. Greg Browne have returned for the summer from southern California.

At Glide—

Mrs. Richard Box writes from her new home at Glide, Ore., that her mother-in-law, Mrs. Stella Box of Cottonwood, Idaho, has been elected as grand treasurer of the Pythian Sisters lodge of her state. Mrs. Box said that the family have been getting their limit of trout from a nearby river.

Navy Men on Leave—

Mr. and Mrs. Carl Painter have their two sons, Howard and Willard home on leave from the U. S. Navy. Both young men will report to stations in Washington, to be located 20 miles apart. Howard has just re-enlisted for six years.

Friends Visit—

Mr. and Mrs. Oscar Schumacher had as recent guests, Mr. and Mrs. George Stavley of Glendale and Mr. and Mrs. Joe Monte of Battle Mountain, Nev. The Montes formerly lived in Truckee.

From Capital—

Eugene Ilardi and two sons of Sacramento visited at the home of Mr. and Mrs. Tony Ghirard last week.

At San Jose—

Miss Marlis Rau, formerly of Truckee, graduated from Reno High School this month. She has gone to San Jose to attend the State College, planning on a teaching career.

Camp in August—

Mrs. Wilber Glenn announced this week that the overnight camping date for the Cub Scouts will be during the first week in August instead of the last week in July.

Tschopp on Summit—

Mr. and Mrs. Ernest Tschopp and family have been visiting friends at Donner Summit on a return trip from a year's stay in Ohio. The couple will return to their San Francisco address before deciding on a possible new location.

Fishes on Birth Date—

Jack Pistoia celebrated his birth date, June 18, by catching a German brown trout 22½ inches in length and a rainbow slightly smaller from the Truckee River back of his home on River street.

ARE YOU A SUNSCRIBER?

TRUCK FIRE

A break in a fuel line which caused a blaze in the motor of a truck near Gateway Park Tuesday morning at 8 o'clock brought the Truckee Volunteer Fire Department to the scene in record time. The driver extinguished the blaze and everything was under control when the equipment arrived.

There is no postive proof that Mount Rainier has been active as a volcano within historic time, according to the National Park Service, although there are reports that clouds of smoke were seen over the crater in the late 1800s.

PATRONIZE LOCAL MERCHANTS

Accused Slayer Held On Murder Charge

Willie Wheat, 61, accused of the slaying of Lee A. Madsen, prominent Reno businessman, when the latter refused the hitchhiker a ride three weeks ago near the state line, has been held to answer to the superior court without bail. A preliminary was held last week at Downieville and William A. Carver, Truckee attorney, named by the court to defend Wheat, attended the hearing.

The defendant will be arraigned in the superior court next week. Carver has indicated he will enter a plea of not guilty and not guilty by reason of insanity.

Prescription Pharmacists

Know the VITAMINS You Need . . .

There are two general groups of vitamins (1) the very potent ones that your Doctor prescribes to arrest a specific deficiency, and (2) those that supplement the diet, the benefits of which most everyone can enjoy.

Be certain to get vitamins produced by a reputable manufacturer, such as those of Parke, Davis & Company. If in doubt, consult your physician before purchasing vitamins—and have him check you regularly.
